

ENGLISH VERBS

En inglés los verbos se dividen en: Verbos regulares y Verbos irregulares

- Verbos Regulares: no cambian el sonido de la vocal de Presente para formar el Pretérito o el Participio Pasado.
- Verbos Irregulares: son aquellos que forman su Pretérito o Participio Pasado, cambiando el sonido de la vocal del Presente y de otras varias maneras.

Se pueden dividir los Verbos Irregulares en cuatro clases:

- 1- Los que tienen tres distintas formas en el presente, pretérito y participio pasado
- 2- Los que tienen dos formas
- 3- Los que tienen una misma forma
- 4- Los que son completamente irregulares
